

FREE WEEK TRIAL

**Your card will not be charged for one week after registration.
Teacher and parent accounts are free with the student's subscription.**

Angel Subscriber (wants to help others in need)

If you have been blessed with **abundance** in your life, there are hundreds of thousands of families that could use help meeting the totally unexpected costs of therapy. Our standard subscription is \$98/month for unlimited therapy. However, if you would like to extend a helping hand, please consider volunteering for a monthly subscription of \$150 or more. 100% of the additional monies will be used for scholarship funds.

If you feel you could sponsor an entire school or academy, or if you would like to directly sponsor additional research, please contact us at donations@gemIni.org

Standard subscription

GemIni's standard subscription rate is \$98/month and it is processed through MasterCard or Visa. There are no contracts or commitments required.

Scholarships and Reductions

Reduced monthly fee

Many of the people on the GemIni team have family members with disabilities. We understand that bills can be tight when special needs have to be accommodated. If you would normally be able to qualify for the Standard Subscription, but literally cannot fit the \$98/month into your budget, this is the plan to choose. Our 1-year "Reduced Fee" program costs \$59/month for unlimited access. This 1-year reduction will allow you time to make necessary adjustments.

Requests for Reduced Fee Subscriptions will be awarded on an honor system.

Hardships

Hardships can hit any family. If your family

- Currently receives food stamps or reduced school lunch, or
- Has a breadwinner who is unemployed, or
- Needs assistance from charities to meet your monthly needs,
- Has other situations make it impossible to afford even the Reduced Fee price of \$58/month

...we have 6-month renewable scholarships available that will bring the monthly price down to \$29. Please indicate this on your registration form. Upon application, your \$29 fee will be charged for the first month and therapy can start immediately. You will be notified of scholarship awards within 30 days.

Public Assistance

GemIni's mission statement is clear: no child will be turned away because of an inability to pay. If your family receives Temporary Assistance for Needy Families (TANF) from the government, please contact us through your primary school teacher or therapist and you will be placed on a plan you can afford (min. \$10/mo).
